

Franz Sans

webfont license

With the purchase and use of a Franz Sans font software license you are agreeing to be bound by the terms of the following agreements:

1. The font software Franz Sans is the property of Mon(ik)a Franz. With the purchase you get a license to use this software.
2. You can use the licensed font software only for online media via @font-face. For the use of print media you have to purchase a desktop font license.
3. The webfont license is valid for the use of max. 500.000 pageviews per month. You may not embed the font files in e-books, applications or other software without a proper app-license. If you want to license a larger volume please contact me.
4. The font software is not allowed to be altered or shared or renamed as a new font without permission of type designers.
5. The fonts are provided in eot, woff and woff2 format. Find a description under www.franzsans.de/franzsans_webfont.html for general terms of installation.
6. Is there an impress in the medium using this font, typeface and type designer should be mentioned like this: »Franz Sans« by Mona Franz, www.franzsans.de
